

2019 Lake Isabella Property Owners Association - Fish Fund donation request

Hello my name is Norman Burmeister. I have taken the torch from John Eberhart and we are continuing the Fish Plants.

If you, your kids, relatives, or friend's fish in Lake Isabella, please read on and consider taking part in continuing to improve our fishery by making a donation to the 2019 LIPOA Fish Fund.

In 2011, John began the Fish Fund donation program to plant game and forage fish in Lake Isabella which was so well received that in 2012 the program was transferred over to the LIPOA. In turn, they opened an "LIPOA Fish Fund" account, specifically for the fish stocking donation program. To date we have received over \$25,000 in donations. Thanks to those generous donations we have planted over 7,700 walleyes in the 5 to 8 inch range, over 250,000 fathead minnows which spawn every 30 days during the summer, 1,360 3 to 4 inch red ear shell crackers (pan fish), 860 – 6 to 8 inch silver catfish and 750 5-7" crappies

We've been open to suggestions from donors pertaining to what species of fish to plant and that will be no different in 2019. The last plant was in fall of 2018 where we released red ear sunfish, crappies, fat head minnows as well as walleye.

I have not caught a red ear or catfish yet but am hoping that changes this year. I am catching a few walleyes mostly in the winter as I have more time to fish that time of year.

Donors will be recorded by name (or business if preferred), address, phone number, and optional e-mail address. E-mail addresses will be used to update donors on what gets planted, when and at what launch the release will occur.

Please Email me at lipoafishfund@gmail.com or call George (LIPOA manager) or Alicia (LIPOA office staff) at 644-3326 with any questions.

Please make checks out to: "LIPOA Fish Fund" and send to or drop off at: LIPOA office – 1096 Queensway Dr. – Weidman, Mi. 48893 (phone number: 644-3326).

Please print and fill in requested information, cut along dotted lines and send in or drop off with your donation. If you do not have a printer, copies of this donation letter are available at the LIPOA office.
